For discriminating visitors, the term casual elegance will never be the same.

The Grande Colonial captures the quintessential California lifestyle in every detail of its 93 guest rooms and suites. While a sunny palette of colors frames views of the Village or ocean, the windows open to let in the natural light and fresh breezes off the sea. In addition,

guests enjoy such conveniences as complimentary high-speed wired and wireless Internet access and in-room dining together with all the comforts of home.

Guests planning extended stays enjoy an extra measure of space and privacy in the exclusive Little Hotel by the Sea and Garden Terrace suites. Virtually two boutique hotels within a boutique hotel, both private wings cater to those seeking an extraordinary respite from everyday life.
